I, the cat owner, am willing to entrust my cat(s) to Le PETit Hotel. I am fully aware of the terms and conditions of accommodation, and I am fully convinced that my cat(s) will have exceptional care and attention. I am aware that if my cat gets sick, and me or my vet are not available, another vet will be chosen, and my cat(s) will receive the best possible professional therapy. I am aware that this Agreement does not cover and can not cover all contingencies that may occur during my cat's stay, but I am sure that every possible problem can and will be resolved through mutual understanding, sincerity and goodwill, for the benefit of my cat. I am aware that the compensation for my cat's boarding will be used to purchase food and veterinary services for abandoned cats rescued by Le PETit. I guarantee that I will pick up my cat in a timely manner, without any delays.
