Le PETit Meow Fest

The First International Belgrade WCF Cat Show
World Cat Federation & Felinology Club Le PETit WCF
Belgrade, Mikser House, Karađorđeva 46, December 14, 2014, 10-20h

Dear cat lovers, we invite you to a unique festival dedicated to cats - Meow Fest! Come to meow, purr, cuddle, to roar if needed, to learn and to have fun!

Long live cats! Thin, chubby, hairy, short haired, bald, long-legged, short, black, colorful ... well, no matter what shape or size, they are beautiful because they are - cats! Best catteries will present their champions, cats will compete for prestigious WCF awards, and visitors will have the opportunity to get information about breeds by lectures, presentations and directly from breeders.

Animal welfare organisations will present their work, and will bring some cute kittens that need home. Kittens that will be offered for adoption are happy, well-behaved, well-socialized and are ready to share their joy with people, children and other pets.

Visitors will learn everything about

cats from veterinarians, specialists in nutrition and behavior. They will give lectures about myths and prejudices, and offer advice about the cat care, nutrition, training, grooming... The Meow Fest will be the opportunity to rejoice your cat with selected food and tasty snacks, equipment or cat toys. Artists and craftsmen will present creative and imaginative handmade works of art whose common theme is - the cat! Many interesting lectures and exhibitions, creative workshops and other surprises are waiting for you on Meow Fest!

Cat lovers, welcome to Mikser House hall in Belgrade. Come to socialize, meow with us and spend the day in good company - in the company of cats!

Judges: WCF Secretary General Andreas Möbius, Germany (AB, WCF); Marie-Claude Lemaigre, Belgium (AB, WCF) and Edina Raposa, Hungary (SLH, WCF).

Note:

It is not allowed to add any judge, not listed in this license, and no other judge, for whatever purpose, is allowed to judge on this exhibition.

Monopedigree rings are generally not permitted, any wins will not be recognized.

You may organize special breed shows. These special breed shows are not permitted to be called "ring" or to be performed as ring.

The only rings, which you are permitted to perform, are the 3 WCF-rings as defined in the Show Rules.

All other rings need the permission of the office.

You can make a separate Best in Show for specific breeds, which must be made according to the rules for the BIS.

The winners of the BIS for the 4 categories and the winners of the BIS of special shows are allowed to participate in the Best of Best.

Please remember to place on stage a large WCF symbol and print this license on one of the first pages of the show catalogue.

Only exhibitions with licenses printed in the show catalogues prove they are really licensed and valid for WCF awards.

ALL SHOWS MUST BE LICENSED and licenses must be printed in the show catalogues.

Each show catalogue must include a page for the WCF, including the names and addresses of the actual Board-members.

In all World and International Shows with foreign judges or exhibitors, all announcements and cat calls during the show and Best in Show ceremonies, **MUST BE** made also in English, not only in the native language of the country. In WCF exhibitions cats cannot be judged more than once per day even in combined exhibitions with two or more WCF-clubs, under penalty of rules.

An electronically copy of this show catalogue with all results must be sent to the Chairman of the Show Commission, presently Mrs. Svetlana Sivitskaya and additional to the mail address wcf.showcatalogs@yahoo.de, latest 10 days after the date of exhibition.

The club will face disciplinary actions, and at least a fine of Euro 200.- will apply if the club does not comply with these resolutions.

In addition, we want to remind you of the following important points:

A change of the place or the date requires new C-numbers.

If you need to invite other judges please send the amended show-application at least 6 weeks before the date of the exhibition.

This license will become invalid with suspension or expulsion of the requesting club. Likewise, it loses its validity for non prolongation of patronage.

We from the Board wish you all the best for this upcoming show.

Best regards

Vaša mačka je mesojed. 5 stvari koje na to ukazuju.

1. NEMAJU PLJUVAČNU AMILAZU

Nedostatak amilaze prouzrokuje pojačan rad pankreasa, koji je primoran da preuzme kompletnu funkciju varenja ugljenih hidrata.

2. KRATAK I JEDNOSTAVAN DIGESTIVNI TRAKT

Zbog visoke pH vrednosti stomachne kiseline, proteini i masti animalnog porekla se brzo i lako razgrade u kratkom digestivnom traktu.

3. ZUBI I OBLIK VILICE

Siroko otvaranje usta omogućava gutanje velikih komada hrane. Kratki i ostri zubi su predviđeni za kidanje mesa.

4. GLUKONEOGENEZA

Mačke koriste proteine i masti kao primarne izvore energije, ne koriste ugljene hidrate.

5. INSULINSKI ODGOVOR

Hrana bogata ugljenim hidratima izaziva jači insulinski odgovor što dovodi do deponovanja glukoze i većeg stvaranja masnih naslaga. Ovo može da uzrokuje pojavu dijabetesa i gojaznosti.
